CCSO deputies make drug-related arrests

Deputies with the Coffee County Sheriff's Office made three arrests between Thursday, Nov. 17, and Monday, Nov. 21, that included possession of a controlled substance.

Early Thursday morning, Nov. 17, two female subjects were booked into the Coffee County Jail just prior to 2 a.m. on multiple charges.

Alisha Watson, age 41, of Glenwood, Ala., was arrested by Coffee County deputies on the charges of D.U.I. (controlled substances), possession of a controlled substance, and possession of marijuana - second degree. Her bonds totaled \$8,500 [\$1,000 for the DUI charge, \$5,000 for the possession of a controlled substance charge, and \$2,500 for the possession of marijuana charge.

Watson was later released from the county jail on bond. Also, just shy of 2 a.m. last Thursday morning,

Jessica Bailey, age 42, of Elba, was booked into the Coffee County Jail on drug charges. Deputies charged Bailey with possession of a controlled substance [\$15,000 bond], possession of marijuana - second degree [\$7,500 bond], and misdemeanor possession of drug paraphernalia [\$7,500 bond]. Following her arrest, Bailey also was charged with three counts of bond revocation.

As of press time this week, she remained in the Coffee County Jail. On Monday, Nov. 21, at 11:20 a.m., Dave Wilks, age 67, of Kinston, Ala., was booked into the Coffee County Jail after deputies arrested him for possession of a controlled substance.

Wilks' bond was set at \$30,000, and he remained in the jail at press time.

ELBA FD RESPONDS TO STRUCTURE FIRE...The Elba Volunteer Fire Department responded Saturday morning, Nov. 19, to a structure fire at 1546 Gray Street. As shown above, the structure, an 'unoccupied' home, was a total loss. No further details were available on this incident.

Despite 33rd place finish at Nov. 12th fishing tournament

ZC's Avery Padgett and Ethan Young win Freedom Marine prize money

Goose Pond, Scottsboro, Ala., hosted the launch site and weigh-in Saturday, Nov. 12, for the Zion Chapel Bass Team's first tournament of the season on the Alabama BASS Nation, Tiger Trail Division schedule.

This was only the second time the ZCBT has fished this lake. Quoting Mike Carter, ALABAMA OUT-DOOR NEWS, Lake Guntersville is always on everybody's list of top bass lakes in the country.

The lake runs 75 miles on the Tennessee River, from

near the Tennessee state line to the town of Guntersville. Its miles of shallow flats are filled with grass, and the water is very fertile, which makes it the perfect bass factory, producing fat largemouth with some small mouth and spots present too.

Zion Chapel's Team Avery Padgett/Ethan Young, with their captain Taylor Renfro, endured some wet, breezy and cold weather. Out of 120 teams, Padgett/Young finished 33rd with two fish weighing 4.98 pounds. Not the weight they hoped for, but on the other hand, it was a commendable showing considering 50 boats out of 120 teams did not weigh in; it was a tough day for many of the anglers.

Team Padgett/Young was able to capture the Freedom Marine Center Contingency money. This was the team's sixth win for a total of \$6,000.

The Zion Chapel fishing duo of Avery Padgett (second from right) and Ethan Young (left) claimed their sixth win for the Freedom Marine Center Contingency Money in the amount of \$1,000 during a fishing tourney held Saturday, Nov. 12th. They are pictured above accepting the prize money check.

Following this tournament, the ZCBT will return to Lake Eufaula for their final tournament on the Wiregrass Student Angler Trail.

Currently they are in sixth place in the Angler of the Year standings on this trail. They have hopes of stepping up their rank.

Elba BOE meets for regular monthly meeting

by Linda Hodge, Editor

The Elba Board of Education met Tuesday evening, Nov. 15, for the regular monthly meeting, and board vice president Johnny Senn presided in the absence of board president Greg Sowell.

Upon the recommendation of superintendent Chris

Moseley, the board voted to approve the scrapping of some old lunchroom equipment from both the elementary and high schools. Moseley said this equipment was quite old, and the schools have no use for it any longer since new equipment had been purchased. The new lunchroom equipment for the schools was

purchased with use of grant funds.

Regarding personnel, the board approved the resignation of Child Nutrition Program [CNP] employee Jamaica Davis, effective Nov. 18, 2022. The next personnel approval by the board was to hire Diane Boswell as a CNP employee. Moseley said all paperwork was in place for each of the personnel matters board members were asked to approve.

Board members also approved the monthly financial statement during the meeting.

The superintendent said the schools would be closed the week of Nov. 21 - 25 for the Thanksgiving holiday.

Unless a need arises, the board discussed potentially not meeting during the month of December.

Reminder

The Elba Clipper office will be closed Thursday, Nov. 24, and Friday, Nov. 25, in observance of Thanksgiving. Happy Thanksgiving!

THE ELBA CHRISTMAS PARADE, sponsored by the Elba Chamber of Commerce, will be Monday, Dec. 5, at 6 p.m. The theme for this year's parade is "Once Upon a Time..." Contact the Elba Chamber of Commerce at (334) 897-3125 for more information or to enter the parade.

MURPHY SPEAKS ON COLONIAL GAMES...National Society Daughters of the American Revolution John Coffee Chapter member Claire Murphy (seated second from right) spoke recently to DAR members regarding "Games Played During Colonial Times." Murphy brought a massive collection of games that were played in colonial times that were made out of resources available at that time - games carved from wood, bones; made from vines and branches of trees; cornhusks; clothespins and string. Many names we recognized, but they were often played differently than now - cup and ball, yo-yo, jacks, dice, pick-up sticks, checkers, chess, marbles and dominoes. Each attendee was given a "Cat's Cradle" game. Those pictured above include (from left): Cathy Young, Hilda Allen, Martha Abernathy, Elizabeth Vickers, Anne Couturier, Claire Murphy, Regent Jacques Hawkins and Nell Gilmer. Elba Chamber location discussed at city council work session

by Linda Hodge, Editor

During a work session held Monday, Nov. 14, members of the Elba City Council discussed with leaders from the Elba Chamber of Commerce additional options for housing the next Chamber office.

The city had been looking at renovating a portion of a building [old dime store] on Davis Street in downtown Elba to locate the Elba Chamber of Commerce office; however, during a recent bid opening for the 'Save Room for Safety' this Thanksgiving

renovations, no bids were received for the project. Since that time, Mayor Tom Maddox said the city had been made an offer to potentially purchase a structure on Claxton Avenue, which currently houses the Lake Realty offices.

Maddox brought this new proposal to the council's attention during the work session. He said he and some of the chamber leaders had recently toured the Lake Realty building to see if it would meet the needs for a new Chamber

of Commerce office in Elba. Sandy Williams, executive director of the Elba Chamber of Commerce, was in attendance for the work session, and when asked her opinion, she said, "ultimately, the decision of where the chamber office will be located belongs to the city council since our contract for services notes the city will provide our office space."

However, Williams said

ALEA Highway Patrol unit encourages to not drive distracted

This holiday season, travel experts are predicting over 54 million Americans will travel at least 50 or more miles from home during the 2022 Thanksgiving holiday travel period.

To continue the Agency's holiday tradition of ensuring public safety, Troopers within the Alabama Law

Enforcement Agency's (ALEA) Highway Patrol Division have prepared once more for a high volume of traffic on Alabama's roadways, with the national average expected to exceed travel numbers in 2021. Based upon these predictions and the increases recorded post-pandemic, emphasis has been placed on among the state's busiest corridors and areas that have historically resulted in a higher number of crashes.

"Fortunately, we have recorded an overall decrease in traffic related fatalities on Alabama's roadways since 2019 when tragically 11 lives were lost during

Thanksgiving holiday travel period," ALEA Secretary Hal Taylor said. "We want to ensure this trend continues and we encourage everyone to 'save room for safety' this holiday season by preparing your vehicle before your trip, leaving in plenty of time and avoiding risky driving behaviors such as following too closely, speeding and distracted driving."

This year, the official Thanksgiving Holiday travel period begins at 12:01

a.m. Wednesday, Nov. 23, and ends at midnight Sunday, Nov. 27. The Agency fully recognizes and prepares for the many Alabamians that begin and complete their holiday travel outside these periods, which is why ALEA Troopers will be proactively patrolling the entire state before and after the busy Thanksgiving holiday.

"Our Troopers in the Highway Patrol Division have worked diligently to reduce crashes and traffic fatalities across the state through a variety of high-visibility enforcement details. We also continue to concentrate our efforts on educating the public relative to dangerous driving behaviors such as distracted driving," said ALEA's Director of the Department Public Safety (DPS) Colonel Jimmy Helms.

There are a variety of activities that can distract drivers such as eating or drinking, talking with passengers inside your vehicle, however, none are more alarming

"One kind word can warm three winter months." - Japanese Proverb

Alabama's unemployment rate stands at 2.7 percent at the end of October. That is good, but a fraction higher than in September. In spite of a jump in unemployment, state numbers show there is a bunch more at work than the month before. Governor Ivey said recently that Alabama has more people working now than ever in the state's history! That is good for workers but not so good for companies trying to hire more qualified workers.

Alabama prison officials botched a second execution last Thursday night when they couldn't find a suitable vein to inject the lethal drugs. It is puzzling that this continues to happen. Prison officials have been quoted as saying "they didn't have enough time." Well last month we had blood drawn during a routine physical and golly the nurse wrapped a band around our arm, dabbed a spot with alcohol, and one pop and the needle was in our blood vein. In the prison case they can skip the alcohol, as the threat of infection is a non-issue.

School grades in a recent State Board of Education report show Elba got a 'C' 75 overall; another page of the report was not so good. Elba High School got a 'D' 68 and the Elementary School got a 'C' at 71. We could blame the pandemic, but . . . every school in the state experienced the same pandemic! Now, if we knew an answer to these lower-than-desired-grades, we would be at the schoolhouse solving the problem(s) and not downtown writing a newspaper column. However, something is coming up short and our suggestion is for the entire community to get involved and get things improved for the good of our children.

Hunter Biden, son of President Joe Biden, has been under fire for several years for alleged business dealings that - 'don't stand the light of day'. There is enough fire and smoke around Hunter for us to believe some, or maybe all, of it is true. Having said that, we are also alarmed that following the recent federal elections where the Republicans won control of the House, their agenda is apparently revenge as the only things we hear them promise to do is investigate Hunter Biden, investigate Joe Biden, Biden's lock down orders during the pandemic, the FBI raid on Donald Trump's home, and indicate they are not planning to push investigations of the secret papers being in found in Trump's possession. Nothing in their exciting plans deal with America's real problems - like climate control, inflation, hunger, housing, etc.

The Elba High football team was defeated in the second round of the state playoffs, and Brantley and Enterprise have gotten the boot from the championship race. That counts all our area teams out of the 'last man standing' championships. Anyone who has ever played a competitive sport will have no problems admiring and commending the members of all the school sports teams, winning or not!

It is our hope that each of readers, and their families, will have a joyful Thanksgiving Day. Let us add "Be Grateful."

Cuzin Lou Lou's
Tales from Yonder

Editor's Note: Cuzin Lou Lou's tales are to be enjoyed as a light-hearted form of Southern expression

Cuzin Lou Lou and Sister set out on one of their 'spur of the moment' overnight trips last weekend. Looking at the direction of their trav-

el, Lou Lou realized it would be convenient to visit a location she had been talking about for quite some time... the Conecuh Sausage gift shop/store in Evergreen, Ala! The stop was made last Saturday morning as Lou Lou and Sister made their way home. Upon arriving in the parking lot, Lou Lou's excitement grew even larger when Sister pointed out the facility's "photo op" area with a Conecuh pig and grill. There also was a giant sign that read, "Grill Out with Conecuh Sausage."

"Oh yeah!" was Lou Lou's reaction to the setting. "I am definitely getting my picture with the pig before we leave!"

Things got even better when Lou Lou and Sister made it inside the store! They had an 'eat now' food area!

After making a couple of rounds around the store, Lou Lou and Sister gathered several items for purchase, including 4 lbs of Conecuh sausage to take home. Then, they made their way over to the ready-to-eat food... several minutes later, each had a sausage dog in hand, along with a sampling of BACON-WRAPPED sausage!!

As a very happy Lou Lou and Sister exited the store, Lou Lou already was talking about a return trip to buy more goodies, while Sister was hoping Lou Lou had forgotten about the photo with the pig...She had not forgotten! Another group was taking advantage of the photo setting when Lou Lou and Sister made it outside, and Sister asked if Lou Lou just wanted to skip it...NO WAY! Instead, Lou Lou asked the sweet ladies if they needed her to take their picture for them!

They took Lou Lou up on her offer and returned the favor by offering to do the same for Lou Lou and Sister. Sister had not planned on having her picture taken with the Conecuh pig, but she did agree to it.

It may have been a spur of the moment trip with an unexpected stop, but it was loads of fun...even if Sister will never admit to enjoying having her photo taken with a 'pig grilling sausage.' One never knows what to expect when travelling with Lou Lou!

Until next time...God Bless, Keep Smiling, and HAPPY THANKSGIVING!

than texting while driving. Sending or reading a text message takes your eyes off the road for 5 seconds. At 55 mph, that is similar to driving the length of an entire football field with your eyes closed.

"You absolutely cannot drive a vehicle safely unless you are devoting your full attention to the operation and task at hand. If you engage in any activity outside of driving when you are behind the wheel you are putting yourself and others at risk because you are increasing the chances of a crash occurring," said Colonel Helms.

ALEA offers the following tips to avoid distracted driving:

- Use your cell phone for emergency situations only. If you need to make a call or send a text, pull over safely to the right shoulder. Even hands-free devices can still cause you to miss important visual and audio cues needed to avoid a crash.
- Avoid long social conversations and do not scroll on social media or watch videos while driving.
- If you are drowsy, pull off the road. Drowsiness increases the risk of a crash by nearly four times. If you feel tired, get off the road; don't try to get home faster.
- Limit the number of passengers, as well as the level of activity inside the car. Keep in mind the state's Graduated Driver License (GDL) Law. In Alabama, 16-year-old drivers may not have more than one non-family passenger in the car with them at any time. Driving with friends can create a dangerous driving environment because novice drivers are focused on their friends rather than the road.
- Avoid eating while driving. Being busy is no excuse for distracted driving. Food spills are a major cause of distraction.
- Do your multi-tasking outside the car. Everyone

spends a lot of time in their vehicles, and it may seem like the perfect time to get little things done, however, those little tasks require attention away from the road and drivers around you.

Will the Funeral Home Help Process My VA Burial Benefits?

This is a standard service offered without charge, by law, by all funeral homes. Burial benefits apply to all honorably-discharged Veterans and may include, depending on the Veteran and their family's wishes, everything from headstones and memorial plaques to an honor guard and bugler for the burial ceremony itself. There are also possible financial benefits associated with burial costs, and an experienced funeral director understands how to process those applications most effectively.

Veterans and their families who take advantage of a trusted funeral director's services in advance of their time of need will be able to avoid most of the normal frustrations of dealing with the VA, military and civilian "benefits bureaucracies". For example, prior to applying for any burial benefits, the Veteran or their family must have a copy of the Veteran's DD-214, and many people either can't find those discharge papers or have lost them. Helping to obtain this critical document is often the first task that a funeral director accomplishes for the family. Also, if the Veteran has other forms of burial coverage, such as company or lodge benefits, the director is the right person to coordinate obtaining the maximum benefits owed from every source, not just from the VA and the Branch of Service.

Many families these days are going beyond the standard military burial for their honored Veteran and are creating lovely and lasting memorials that commemorate their service and their lives. Funeral homes and cemeteries often have special areas for Veterans and family members and are always happy to discuss personalized burial and commemoration plans, especially if there is plenty of time to plan ahead.

City of Elba Ordinance

Chapter 78 – UTILITIES [1]

Footnotes:

--- (1) ---

Cross reference— Buildings and building regulations, ch. 14; businesses, ch. 18; environment, ch. 30; septic tanks and other sewage disposal methods, § 42-56 et seq.; solid waste, ch. 62; state standards for accommodating utilities, § 66-6.

State Law reference— Municipal public utilities, Code of Ala. 1975, § 11-50-1 et seq.

ARTICLE I. - IN GENERAL

Sec. 78-1. - Water and electric board. There is a water and electric board which has control over the city's water and electric distribution systems.

Sec. 78-2. - Connection or installation of utilities without building permit prohibited.

(a) No person, utility department or utility organization shall connect or install, or allow to be connected or installed any electrical, water or sewage utilities to any land, building, structures or parts thereof until a building permit is issued by the city. (b) It shall be violation of the Code for any person to connect, install or allow to be connected, or installed any electrical, water or sewage utilities without the proper permit being issued by the city. Any person found to be in violation of this section shall upon conviction, be punished as provided in section 1-6 of this Code of Ordinances.

(Ord. No. 1996-9, 10-28-96; Ord. No. 1996-8, 11-12-96)

Secs. 78-3—78-25. - Reserved.

ARTICLE II. - SEWERS AND SEWAGE DISPOSAL [2]

Footnotes:

--- (2) ---

State Law reference— Authority to construct and maintain sewer systems, Code of Ala. 1975, § 11-50-50 et seq.

DIVISION 1. - GENERALLY

Sec. 78-26. - Planting trees, vines to endanger sewer lines.

It shall be unlawful for any person to set out or plant trees or vines in such proximity to any of the sewer lines of the city, whether the sewer lines are in the streets or alleys or on the private property of the owner, so as to endanger the safety of such sewers or directly or remotely render it likely or probable that the growth of such trees or vines will impair the services of such sewers.

(Code 1968, § 20-2)

Sec. 78-27. - Tap fees.

(a) A nonrefundable tap fee in the following amount shall be imposed upon each user of the sanitary sewer system. Said tapping fee shall be paid prior to connection.

(1) Four-inch sewer tap \$600

(2) Six-inch sewer tap \$750

(3) Eight-inch sewer tap \$900

(b) If it is necessary to cut a street or bore under a street, the user shall be responsible for the actual cost of the city. This cost shall be in addition to any tapping fee and deposit. The city shall estimate the cost of the cut or bore and the user shall deposit said amount to the city before connection. Should the actual cost be more than the estimate the balance shall be added to the user's next monthly bill. Should the actual cost be less than the estimate the city shall refund the overage within 14 days of connection.

(c) If there is an existing tap in place

and it is necessary for the city to locate the existing tap there will be a \$200.00 location fee billed to the user.

(Ord. No. 1991-12, § 5, 9-23-91; Ord. No. 091001A, 9-24-01; Ord. No. 2122007-2, 2-12-07)

Sec. 78-28. - Installation of service lines.

The city shall, when capacity and cost permit, install and maintain sanitary sewer lines to the user's property line. It shall be the user's responsibility to install and maintain service lines from the property serviced to the city service line which are in compliance with standards established by the city clerk or designee.

(Ord. No. 1991-12, § 5, 9-23-91; Ord. No. 091001B, 9-24-01)

Secs. 78-29—78-40. - Reserved.

DIVISION 2. - RATES AND CHARGES

Sec. 78-41. - Monthly rate—

Residential users.

(a) There shall be imposed upon all residential household users of the sanitary sewer system rates based upon water usage according to the schedule below:

First 2,000 gallons of water usage per month \$13.00 minimum

Next 3,000 gallons of water usage per month \$3.50 per 1,000 gallons

Next 7,000 gallons of water usage per month \$2.00 per 1,000 gallons

Over 12,000 gallons of water usage per month No [additional] charge

(b) This rate schedule shall not be changed without prior written consent of Rural Development, the federal agency which administers rural utilities services loans and grants.

(c) The new rate schedule shall become effective the first billing cycle after completion of the improvements to the sanitary service system financed by the rural utilities service loan and grant.

(Ord. No. 1991-12, § 1, 9-23-91; Ord. No. 98-7, 8-24-98; Ord. No. 2122007-2, 2-12-07)

Sec. 78-42. - Same—Commercial and industrial users.

(a) There shall be imposed upon all commercial, and industrial users of the sanitary sewer system rates based upon water usage according to the schedule below:

First 3,000 gallons of water usage per month \$25.00 minimum

Over 3,000 gallons of water usage per month \$3.00 per 1,000 gallons

(b) This rate schedule shall not be changed without prior written consent of Rural Development, the federal agency which administers rural utilities services loans and grants.

(c) The new rate schedule shall become effective the first billing cycle after completion of the improvements to the sanitary service system financed by the Rural Utilities Service Loan and Grant.

(Ord. No. 1991-12, § 2, 9-23-91; Ord. No. 98-8, 8-24-98; Ord. No. 2122007-2, 2-12-07)

Sec. 78-43. - Date due; delinquency penalty.

(a) Beginning with the services rendered for the month of December 2022, and becoming due and payable on January 1, 2023, and continuing thereafter, the following charges shall be made and collected by the city.

(b) Fees assessed for monthly services and usage are due on the first day of each month, and if not

paid on or before the 15th day of each month a penalty of ten percent thereto will be assessed as penalty for late payment. The penalty assessment is to be paid over to and received by the water and electric board, and the sanitary sewer fee is to be remitted to the city clerk and deposited by him for the use and benefit of the city.

(Ord. No. 1991-12, § 3, 9-23-91; Ord. No. 091001C, 9-24-01)

State Law reference— Charges for services of sewer systems generally, Code of Ala. 1975, § 11-50-120 et seq.

Sec. 78-44. - Application and deposit for services.

(a) Upon proper application by the user and upon proof that all necessary permits have been issued, if capacity and cost allows the city will provide sanitary sewage service to the user's property line.

(b) A \$30.00 cash deposit to guarantee payment for services shall be paid by any person or organization desiring sanitary sewage service.

Upon termination of sanitary sewage service and the last bill for services is paid in full, the deposit shall be refunded. If any bill for services becomes past due, the deposit shall be applied to the amount due.

(Ord. No. 1991-12, § 5, 9-23-91; Ord. No. 091001D, 9-24-01)

Sec. 78-45. - Termination of water service for delinquency.

If any user of the sanitary sewer system fails to pay for charges by the 20th day of the month, then the water and electrical service provided by the city or the city water and electric board shall be terminated without additional notice. Before services are reconnected, the user shall be required to pay all outstanding charges and shall pay all applicable reconnect fees.

(Ord. No. 1991-12, § 4, 9-23-91; Ord. No. 091001E, 9-24-01)

State Law reference— Enforcement of charges, Code of Ala. 1975, § 11-50-122.

Sec. 78-46. - Connection mandatory when sewer accessible.

(a) It shall be unlawful for any person, corporation or legal entity to refuse or fail to connect with a public sewer within 30 days from the receipt of written notice by the city engineer or the county board of health to so connect whenever such public sewer and a public water supply are reasonably accessible. Such public sewer and public water supply shall be deemed to be reasonably accessible when such public water supply and public sewer are within a distance of 150 feet of any outside line on the lot upon which any dwelling or other building is located, provided such sewer can be reached without crossing the property of another. When such property or premises is not subdivided into lots and so designated on available surveys or maps of record, the distance shall be deemed to apply to the nearest portion of such dwelling or other building.

(b) This section shall apply to all person, corporation or legal entity and property within the city.

(c) A violation of this section by any person, corporation or legal entity shall constitute a misdemeanor. Any person, corporation or legal entity who violates this section shall be punished as provided in section 1-6.

(Ord. No. 1998-9, 8-24-98)

ARTICLE I. - IN GENERAL

Sec. 62-1. - Littering.

(a) It shall be unlawful for any person to throw or deposit in the streets or other public places any bottles, glass, nails, tacks or any other material injurious to traffic.

(b) It shall be unlawful for any person to throw, drop, leave or place any banana or other fruit peelings or refuse, tacks or glass on the sidewalks of the city.

(c) It shall be unlawful for any person to sweep from any storehouse or office, into the streets or sidewalks of the city, any paper or other rubbish.

(Code 1968, §§ 17-2, 17-6, 17-7)

Cross reference— Parks and recreation, ch. 54.
State Law reference— Criminal littering, Code of Ala. 1975, § 13A-7-29.

Secs. 62-2—62-25. - Reserved.

ARTICLE II. - MUNICIPAL COLLECTION AND DISPOSAL SERVICE[2]

Footnotes:

--- (2) ---

Editor's note— Ord. No. 092605, §§ 1—12, adopted Sept. 26, 2005, did not specifically amend the code and has been included herein as superseding the former provisions of Art. II, §§ 62-26 and 62-36—62-39, at the discretion of the editor. Said provisions pertained to similar subject matter and derived from §§ 8-1, 8-3, 8-4 of the 1968 Code; Ord. No. 1991-13, § 8-1(a)—(d), adopted Sept. 23, 1991; and Ord. No. 1997-1, adopted Jan. 13, 1997.

State Law reference— Authority to provide for solid waste disposal, Code of Ala. 1975, § 22-27-3.

Sec. 62-26. - Definitions.

The following terms when used in this article shall have the meanings respectively ascribed to them, unless the context clearly indicates otherwise:

Business/commercial. A business or commercial establishment located in a business or commercial zone and being licensed by the city.

Commercial contractor. A person licensed and permitted by the city to collect commercial garbage within the corporate limits of the city.

Garbage. Includes all waste accumulations of animal, fruit and/or vegetable matter that attend the preparation, use, cooking, dealing in or storage of meat, fowl, fish, fruits, or vegetables; also tin cans or other containers originally used for food-stuffs, including waste and discarded materials includ-

ing rubbish.

Home occupation. A business, profession, occupation, or trade, conducted within the living area of a dwelling or within an accessory structure where a residential garbage fee is being charged.

Residence. Single-family dwellings, duplexes, townhouses, apartments, and trailers.

Residence unit. A polyethylene container designed to contain solid waste materials including garbage, and rubbish, and which shall have suitable wheels and a handle so it can be pushed or pulled with little effort, and can be lifted and dumped in a semi-automated manner by hydraulic dumping units attached to standard city garbage vehicles.

Rubbish. All non-perishable solid wastes, consisting of both combustible and non-combustible wastes, such as paper, cardboard, glass, crockery, excelsior, cloth and similar materials.

Trash. Leaves, yard clippings, limbs, debris from pruning or processing plant material, furniture, appliances, and other discarded items.
(Ord. No. 092605, § 1, 9-26-05)

Sec. 62-27. - Collection of disposal service established. There is hereby established in the city a garbage, trash and rubbish collection, hauling and disposal service, to be operated by the sanitation department. The collection, hauling and disposal of garbage shall be made by the sanitation department not less frequently than once each week in residential and commercial areas. Rubbish, trash, leaves, grass, straw and shrubbery trimmings shall be collected on cycles around the city. All collection schedules are subject to change due to legal holidays or weather conditions, or other circumstances deemed by the city to justify such change.

(Ord. No. 092605, § 2, 9-26-05)

Sec. 62-28. - Authority of sanitation superintendent to further regulate garbage and trash collection. The sanitation superintendent has the authority to cause to be made departmental regulations for an orderly, efficient and economically feasible residential and commercial garbage and trash collection system.
(Ord. No. 092605, § 3, 9-26-05)

Sec. 62-29. - Mandatory public participation. Every person, household, or residential property generating garbage shall participate in and subscribe to the city's system of service and shall comply with the requirements of this article whether or not they desire the services be rendered except as provided in section 62-31.

Every business, industry, or commercial property shall participate in and subscribe to the city sanitation department service or a commercial garbage contractor or a governmental entity or authority, all approved by the city and shall comply with the requirements of this article whether or not they desire the services. They shall be required to pay such col-

lection and disposal fees that may be established by the city. The city hereby adopts the rules and regulations of the state department of public health regarding solid waste collection, transportation, storage, processing and disposal as may be amended from time to time and any local rules of the county health board that may be promulgated from time to time with regard to solid waste collection, transportation, storage, processing and disposal. The provisions of this article are mandatory and not voluntary.
(Ord. No. 092605, § 4, 9-26-05)

Sec. 62-30. - Providing containers; placement for emptying; repair and replacement; back entrance pick-up. (1) The city will provide each resident a roll-out container for the purpose of storage of garbage.

(2) The city will provide each business or commercial establishment desiring to use the city sanitation department for garbage or refuse collection with a container or containers for the purpose of storage of garbage.

(3) On scheduled garbage pick-up days, the resident or business will be required to place the roll-out container at the curbside not later than 6:00 a.m. and remove the roll-out container from the curbside not later than 7:00 p.m. on the same day and place the roll-out container in the rear yard out of view of the traveled way.

(4) The resident or business will be responsible for cleaning of the roll-out container. (5) The city will be responsible for repair or replacement of roll-out containers damaged or stolen through no fault of the resident.

(6) Upon proof of disability because of health, age or other reasons, the sanitation department will collect garbage from roll-out containers placed near the back entrance of such residence upon agreement with the department.

(7) No collection personnel shall enter houses or buildings.
(Ord. No. 092605, § 5, 9-26-05)

Sec. 62-31. - Disposal of trash.

(a) In residential areas:

(1) All leaves, limbs, prunings, appliances, furniture and discarded items shall be placed behind the curb, not in the street, and will be picked up on a cycle.

(2) All grass clippings shall be placed in plastic trash bags and sealed tightly to prevent spilling.

(3) All sanitary pads and disposable diapers, and other materials used in the care of infants, convalescents, or bedridden people, shall be placed in double plastic, sealed airtight bags, and placed in roll-out containers for collection or scheduled garbage collection days.

(4) Where a garbage fee is not paid at a vacant lot, unoccupied residence or building, the owner or contractor is responsible for the removal of trash and other items. One time request may be made under the requirements of section 62-36.

(5) Building debris, such as scrap lumber, plaster, roof-

ing, concrete, bricks and sanding dust, resulting from the construction, repair, remodeling, removal or demolition of any building or appurtenance on private property; and dirt, stumps and tree trunks will not be removed by the sanitation department, but the owner shall cause such waste to be privately moved.

(6) The city shall not be responsible for the collecting and hauling of rubbish, trash, limbs, brush or other debris from private property preliminary to, during or subsequent to construction of new buildings of whatever type prior to occupancy. Such material shall be removed by the owner of such property or the contractor responsible for the accumulation of the same.

(7) It shall be the responsibility of all fence companies, tree surgeons, pulpwood contractors, nurseries and landscape contractors or any individual or company doing work on private property to remove from premises all residue and rubbish resulting from such work.

(b) In commercial areas:

(1) Trash collection shall be as needed and/or requested.

(2) When needed or requested the placement and disposal shall follow the same rules for residential areas.

(3) Rates and charges are established in section 62-36.
(Ord. No. 092605, § 6, 9-26-05)

Sec. 62-32. - Commercial garbage collection. The collection of all commercial garbage and trash shall be provided by the city sanitation department or a commercial garbage contractor who is licensed by and has a current permit from the city to operate within the city or a governmental entity or authority approved by the city.
(Ord. No. 092605, § 7, 9-26-05)

It was 'Book Fair' week at the Elba Elementary School last week and our grandson Lawson took advantage of the event to take home almost \$100 in books for his ever-growing library. Lawson loves to read when he gets the chance and I have no doubts he will have these books read in just a matter of weeks and be back at the City Library getting more.

For what it is worth....

*** The Brantley Bulldogs saw their season end last week with a tough loss to Leroy, and while I am sure the coaches would disagree, I told folks before the game was played that it looked like the 'perfect storm' brewing for the Bulldogs. The storm I saw coming was due to the fact Brantley was coming off a big playoff road win over previously undefeated Linden, its biggest playoff rival in recent years, and that another long road game was straight ahead against Leroy, a 2A power that had moved down to the 1A ranks, that Leroy was a team the Bulldogs had never played and was perhaps a team the players couldn't really get excited about playing after the emotional win the week before. Whether you agree or not, Brantley was no match for the physical Bears that dominated the game for all four quarters and had no answers on how to escape with a win. The loss hurt, but one game doesn't define a team or a season, and this season was one in which the Bulldogs bounced back from two regular season losses to advance to the third round of the playoffs and kept the Bulldog mystic alive and well across the state.

*** The third round of the playoffs was filled with excitement for teams all across the state, and a few games that caught my eye included (1A) Millry rolling over Sweet Water 41-6 to set up a rematch against Leroy, (2A) Highland Home blanking Clarke County 19-0 to reach the semifinals for the second straight season, (3A) Mobile Christian eliminating Pike County 27-7 in a season that the Bulldogs from Brundidge came back strong from a winless season just one year ago, (4A) Andalusia scoring two touchdowns in the final two minutes to stun previously unbeaten Anniston 35-28 to set up a rematch against top-ranked Montgomery Catholic, (5A) Charles Henderson picking up win number eleven with a 19-16 upset win over top-ranked UMS-Wright, (6A) Saraland surviving a 29-point fourth quarter meltdown to outscore Homewood 57-56, and (7A) Auburn and Hoover winning to move to the state finals.

*** While the Elba Tigers have been one of the winningest football programs in the state for many years, the playoffs have not been kind to the Tigers in recent years. Since the state title run back in 2015, the Tigers have struggled to post a 6-6 record in post-season play, and during that time have not advanced past the second round of the playoffs. That will no doubt be something the coaches discuss in the coaches office over the weeks to come.

*** The 2022 Elba Tiger football season is now in the history books and while it did have a disappointing ending after an undefeated regular season, it was a year in which the Tigers did add some pages to their rich football history. Elba kicked off its second century on the gridiron and recorded its 600th win all-time to grab the headlines. The 2022 Tigers were only the eighth team in 101 years to win 11 games in a season, were the first team to win eight region games in a season and were only the seventh team all-time to post an undefeated regular season. The offense scored a total of 491 points, the fifth most in 101 years and the most ever by a team in a 12-game season. The defense allowed a total of 176 points, which was the fewest allowed since the championship season back in 2015. Coach Marc Sieving also put his name in the record books as he is now the fifth winningest coach all-time at Elba High among a total of 39 coaches with 27 wins in three seasons. He is also only the seventh coach ever to record at least 20 wins in a career as the leader of the Tigers.

*** Ye Ole Polish Prognosticator sent me a text after last week's 9-4 third round playoff record and stated that since Brantley was no longer playing he would just send in his picks. That takes away my fun picking on the local guesspert, but at least he did send in his picks. Here goes....

(1A) Millry 28 Leroy 27, Pickens Co.40 Coosa Chri. 35
(2A) B.B. Comer 22 Highland Hm. 20, Fyffe 21 Pisgah 7
(3A) St. James 17 Mobile Chri. 14, P'mont 35 Sylvania 14
(4A) Catholic 31 Andy 28, Oneonta 20 Cherokee Co. 16
(5A) Faith 24 Ch. Henderson 14, Ramsay 42 Pleasant Grove 41
(6A) Theodore 28 Saraland 21, Mt. Brook 31 Muscle Shoals 14
(7A) Thompson 28 Auburn 10

Elba ready to tip off basketball season

Elba Tigers

The Elba Tigers have made the transition from the football field to the basketball court and Tiger head coach Kelsey Prestwood is optimistic this year's team will be much improved and will be a fun team to coach and for fans to support.

"We only have two players back from last season," stated Prestwood, in his second season at the helm at Elba High, "but they are both guards in JT Coleman and Alvin Henderson, and I expect them to be team leaders on the court on offense and defense."

"I really like this group of players and even though we only have nine varsity players we should be able to rotate more players in and out and help each other out," added Prestwood. "We have more quality depth than last season, and had a really good summer. We should be able to shoot the ball better on offense, be stronger on the boards and play both physical and fast on both ends of the court. I am looking forward to the season and can't wait to get started."

The Tigers are blessed with depth at the guard position, as joining Coleman and Henderson in the backcourt will be senior Taylor Purvis, as well as Cody Gray and Cameron Gray. The inside strength of the team should also be much improved, led by 6-3 Jamal Siler and a trio of 6-1 players in Ty Sieving, Cayden Adkins and Brayden Johnson.

"Eight of our nine players are just coming off the football field and it may take a little time to make the transition," said Prestwood, "but they will get better the more they practice and I think the winning attitude of the football team will carry over to basketball. We don't have any real tall players, but we have four players that are strong and physical, and I really expect us to be able to be able to score from both the outside and inside, and be strong in the paint."

"We should be able to be successful on offense and execute much better than last season," said Prestwood. "We will be more disciplined, and that

will help us a multiple offense based on the team we are playing. I think we have some guys that can shoot the three, guys that can run the court, and guys that can bang inside and score around the basket. I honestly believe we can be successful no matter what kind of offensive style we are in. Over on defense I am not that sure just how good we may be early in the season, but do expect our depth to pay dividends and think with five guards and four inside players we should be able to get after folks."

"We have a very competitive schedule that includes a couple of new teams in Wicksburg, Pike Liberal Arts and Geneva," added Prestwood, "and of course our area opponents are really tough with Kinston, Florala, Brantley and Houston County. We sprinkled in Zion Chapel and New Brockton on the

schedule to give the fans something to get excited about, and will compete in three tournaments, including our own the week after Christmas. The schedule may look a little ambitious for a 1A team with only nine players, but we want to play and this schedule will give the players a chance to play hard and improve."

"We will obviously have to take it one step at a time early in the season," stated Prestwood, "but this year those steps shouldn't be baby steps since the players learned the system in the summer and should get back in the swing of things fairly quickly. I am looking at the Florala tournament as the date we should be at full speed, and by then we should know where we are and what kind of team we are. I am excited and the players are excited to get the season started and hope all our fans will come out and help make a difference."

Elba Lady Tigers

The Elba Lady Tigers will tip off the basketball season on Monday, Nov. 28, at home against Geneva and Coach Shaun Hammonds admits that he and his players and his players are excited about the upcoming season.

"We have nine girls on the team that were with us last season and after a good summer of work are convinced the team can go as far as it wants," said Hammonds. "we have been working hard for the past two weeks at practice, and while we went back and started from scratch,

the players all knew what we were doing and what to expect from me. That helped us take a step forward in a lot of areas and believe we can do some good things."

Elba will be busy in opening week action as after hosting Geneva, a final four participant a year ago, the Lady Tigers will hit road for early-seasons games against Samson and New Brockton.

"Geneva will be a real test as an opening game," added Hammonds, "since they have already played a handful of games and opened its season in a tournament in Montgomery two weeks ago. Samson is another perennial power that is expecting big things and New Brockton is looking for its best season in years. The opening week will be quite a challenge."

"We are going to play a more up tempo style this season on both offense and defense and hope that our style of play will wear teams down," said Hammonds. "We have some quality depth off the bench that will allow us to rest some folks, and not stop our style of play at the same time. We are going to get after our opponents all over the court on defense and hope to use that pace to set us up on offense. We will be able to play a half court style if we have to and have good size inside to battle on the boards, and feel like we can be successful no matter what style we use. I think we are the team to beat in our area (Elba, Brantley, Kinston, Florala, Houston County) and we will play with that confidence."

The Brantley Bulldogs saw their drive to a state title hit a dead end last Friday night in Leroy as they lost to the Leroy Bears 42-14, in the third round of the 1A state football playoffs.

Brantley received the game's opening kickoff and showed the Bears it had come to play as the Bulldogs went 65 yards in seven plays to grab an early lead. Jayden Parks rushed for 15 yards on two carries and completed three passes for 42 yards to spark the scoring drive, which was capped on a 35-yard touchdown toss from Parks to Jordan Parks. Jayden Parks added the extra-point as the Bulldogs jumped ahead 7-0 with 8:06 remaining in the first quarter.

The Brantley offense was unable to get back into the endzone for the remainder of the half. However, Leroy had no such problem as the Bears scored on three straight possessions to carry a 21-7 lead in at intermission.

The first Bears touchdown came with 3:34 left in the first quarter on a 2-yard run by Malik Howell that capped an eight-play, 61-yard drive, while the second came with 9:44 left in the second quarter on a 40-yard pass from

Brayden Huebner to Taylor Crumedy that capped a six-play, 64-yard drive, and the third came with 2:35 left in the half on a 55-yard pass from Huebner to Crumedy that capped a seven-play, 87-yard march. Rob Moseley kicked all three extra-points as Leroy gave its home fans plenty to cheer about!

Leroy picked right back up where it had left off to open the second half as the Bears received the kickoff and went 55 yards in six plays to extend their lead. The score came on a 22-yard run by Brayden Huebner, and Moseley added the extra-point as the Bears lead grew to 28-7 with 9:23 left in the third quarter.

Brantley came back to life on offense on its next possession and stayed alive as the Bulldogs went 52 yards on eight plays to get back into the endzone. Jayden Parks completed 5 of 6 passes for 41 yards to lead the 'Dogs down the field, with the score coming on a 10-yard touchdown toss from Parks to Jon Bush. Parks also added the extra-point as Brantley pulled within 28-14 with 6:12 still left in the quarter.

Both teams were forced to punt on the game's next four offensive series, but Leroy was far from finished visiting the endzone and scored on its final two possessions to

post the 42-14 playoff win. The Bears fifth score of the night came on a 3-yard run by Huebner with 3:58 left on the clock that capped an 11-play, 59-yard drive, while the final score came on a 63-yard dash by Huebner with 2:09 remaining. Moseley made it six for six on extra-points to close the deal on the Bears impressive playoff win over the Bulldogs.

Jayden Parks rushed for 19 yards on six carries and completed 15 of 23 passes for 139 yards and two touchdowns to lead the Brantley offense, with Jordan Parks pulling in 3 passes for 55 yards and one td, and Jon Bush pulling in 5 passes for 31 yards and one td.

Brayden Huebner rushed for 170 yards and three touchdowns on 21 carries and completed 3 of 5 passes for 101 yards and two touchdowns to lead Leroy, while Malik Howell rushed for 99 yards and one td on 16 carries and Taylor Crumedy caught two passes for 95 yards and two scores.

Zion Chapel stung by Yellow Jackets

Zion Chapel hosted Abbeville Thursday night in an early-season 2A match-up and "came out" on the short end in all three games as the Rebels lost 77-64 in varsity boys action, the Lady Rebels lost 58-18 in varsity girls action and the JV boys dropped a 42-25 decision.

Following are highlights of all three games in this week's 'Games of the Week':

VARSITY BOYS:
ABBEVILLE 77 ZION CHAPEL 64

The Zion Chapel Rebels trailed by only three points midway through the fourth quarter, but saw the Abbeville Yellow Jackets close the game with a 15-5 run to pull away and hand the Rebels a 77-64 home court loss.

Zion Chapel jumped out to an early 3-2 lead on a basket by Jacob Chestnut, but saw Abbeville go on a 13-3 run to open up a 15-6 lead midway through the stanza. The Rebels, led by the hot shooting of Chestnut, nailed four three-pointers to pull even at 18-18 with 6:45 remaining in the second quarter, only to see the Yellow Jackets answer with an 11-2 rally as they regained control and opened up a 29-20 lead.

The Rebels rallied to pull within 36-30 late in the half, but Abbeville again had an answer for the pesky Rebels and this time used a 13-0 run to take a 49-30 lead with 4:58 left in the

third quarter. Zion Chapel pulled within 51-43 late in the quarter on a basket by Slade Grantham and battled until the final horn, but could never catch up as it dropped the 77-64 decision.

Zion Chapel, which hit only 9 of 25 free throw attempts, was led in scoring by Jacob Chestnut with 20 points, Mason Stuart with 14 points and Slade Grantham with 11. Also scoring for the Rebels were Ian Herbert 9, Joseph Legear 7 and Bradon Grantham 3. Ahmad Billins scored 30 points and Dylan Crawford added 18 to lead the Yellow Jackets.

VARSITY GIRLS:
ABBEVILLE 58 ZION CHAPEL 18

The Zion Chapel Lady Rebels fell behind 15-0 in the first quarter and never challenged in a 58-18 loss to the Abbeville Lady Jackets.

Abbeville raced out to a 15-0 lead before Zion Chapel got on the scoreboard with 1:50 left in the stanza on a three-pointer by Abby Odom, and stretched is lead to 31-5 late in the half before Madison Meeks hit a free throw and Riley Bannin drained a long three-pointer.

Abbeville never lost command in the second half and outscored the Lady Rebels in both quarters as the Lady Jackets claimed the big 58-18 win.

Shea Wambles scored 7 points to lead the Lady Rebels, while also scoring

Thanksgiving

I love Thanksgiving for many reasons. It officially kicks off the Holiday season and it is a day for family, football, and food. However, I think the thing I love the most about Thanksgiving is the fact that if we are giving thanks for our blessings, we are also acknowledging that there is someone to whom we are thankful.

Growing up I didn't enjoy Thanksgiving as much because we would always go to my grandparents' house which would normally be a good thing, but Thanksgiving was different. We couldn't run and play because we had to dress up like we were going to church, I still don't like wearing a tie, and we all sat in the same spot around the table every year.

Apparently, my grandparents only had a certain number of chairs. I was the youngest grandchild and when I came along all the chairs had been taken. I know this because until I was about 7 yrs. old, I sat in a highchair. Every year we took a picture of the family around the table with the turkey and all the trimmings before we said the blessing, and there I would be, getting larger each year but still squeezed into the highchair.

Either the highchair finally broke, or they found another dining chair because I finally got promoted, shortly before I started shaving. It's funny now to look back at those pictures and laugh at how I was forced to endure such torture. However, I now realize why it was so different from any other time we went to my grandparents' house.

It was because of what the day meant. We were thanking God for His blessings and His provisions for us. We dressed up because we were showing reverence for the one to whom we were giving thanks. Those types of traditions helped to shape me into who I am today and for that I am thankful.

This year as you celebrate your families Thanksgiving traditions remember to whom we are giving thanks. As the Psalmist said "Enter His gates with thanksgiving And His courts with praise. Give thanks to Him, bless His name." (Psalm 100:4) and also remember to have enough chairs.

Troy Regional Medical Center awarded 'A' hospital safety grade

Troy Regional Medical Center received an "A" Hospital Safety Grade from The Leapfrog Group.

This national distinction celebrates Troy Regional Medical Center's achievements in protecting hospital patients from preventable harm and errors.

"We are honored to receive an 'A' Hospital Safety Grade once again," said Rick Smith, CEO of Troy Regional Medical Center, noting this is the organization's fourth consecutive such grade. "Our team at Troy Regional Medical Center is dedicated to providing the best pos-

sible care to our patients, and that includes safety. We appreciate this significant recognition from The Leapfrog Group."

The Leapfrog Group is an independent national watchdog organization with a 10-year history of assigning letter grades to general hospitals throughout the United States, based on a hospital's ability to prevent medical errors and harm to patients. The grading system is peer-reviewed, fully transparent, and free to the public. Hospital Safety Grade results are based on more than 30 national per-

formance measures and are updated each fall and spring.

"An 'A' Safety Grade is a sign that hospitals are continuously evaluating their performance, so they can best protect patients," said Leah Binder, president and CEO of The Leapfrog Group. "Your hospital team should be extremely proud

of their dedication and achievement."

To see Troy Regional Medical Center's full grade details and to access patient tips for staying safe in the hospital, visit [HospitalSafetyGrade.org](https://www.hospitalgrade.org) and follow The Leapfrog Group on Twitter, Facebook, and via its newsletter.

It's Their Fault

It seems like a law of human nature to blame others for our failures. Eve blamed her disobedience on the serpent. Adam blamed his on Eve. He even blamed God (since God had given Eve to him). I read once of a woman whose husband was prone to blaming her for everything. After he got into an argument with his own mother on the telephone, he hung up, turned to his wife, and said, "Well, it's your mother-in-law!" It's so easy to blame our government for all that is wrong in the country. Yet we are the ones who elected the officials to office. It is easy to blame the producers of television shows for "all the garbage" that appears on our TV screens. Yet if people did not buy the products of companies

that advertise on such programs, the programs would disappear. To place the blame, we often need to look at ourselves.

As the prayer looked at the problems of Judah, it acknowledged that the problem was not "someone else" but "us". Although the prayer refers to various individuals of the past who got the downhill slide started, it is also quick to affirm that the problem of foreign domination is "because of our sins." As my favorite comic strip character, Pogo, once said, "We have met the enemy and he is us." - J.B.N.
